

# Rules of Attraction

**Bananarama**

It's a perfect world wouldn't you say  
Where the rules of attraction are very strange  
The extraordinary games we play  
Use it up and throw it away

[Chorus]

Feel your way  
Take your time  
Got all night  
For getting high  
Just keep dancing  
Keep on dancing

Feel the beat  
Let it rock  
Close to me  
Never stop

Just keep on dancing  
Keep on dancing

A mixed girl hard to please  
So I'll need your attention exclusively  
Expectations are high obviously  
But don't give up so easily

[Chorus]

Hey DJ, bring the beat back  
I just wanna rush  
Hey love, you play me so  
I just can't get enough

[Chorus]
