Weed Party

Band of Horses

I got you arrested because Are you come or gone I am about to set this off The party is done The wine is there to keep yourself You got it wrong So I brought you plenty thoughts Words were at a loss It's a good day to skip because The party is gonna call The wine there t keep yourself But don't you ever listen at all The parents are enforcing the law The wine is there to keep yourself But don't you ever listen at all The parents are enforcing the law
