Got your favorite daughter in my bedroom tonight She loves to suck my dick, but doesn't do it quite right Why didn't daddy teach you how to suck off a man? Don't ever spit my manhood in a trashcan

```
Swallow that load - give it all that you got

Swallow that load - gargle on my pecker snot

Swallow that load - or you'll lick up every drop

Swallow that load - you twat
```

Now you're sucking easy, but you know I like it rough I'm a big manmeat volcano, and I'm ready to erupt So go on back to daddy, girl, and practice at home And come back when you really wanna bury that bone

```
Swallow that load - give it all that you got

Swallow that load - gargle on my pecker snot

Swallow that load - or you'll lick up every drop

Swallow that load - you twat
```
