

In A Chapel

Bang

In a Chapel
Someone's preaching
Towards heaven
Reaching
In a Chapel
Someone's waiting
Towards heaven
Anticipating!

All the day, I Hear you crying
In the night I hear you sighing
On you knees, softly praying
Your always praying
Praying

In a Chapel
Someone's dying
Towards heaven
Slowly rising

All the day, I Hear you crying
Hear you sighing
Can't imagine never knowing
Where your going?

People on the floor above me
Make some noise!
Trading sorrows in for joy
Waiting on a blessing
Soothing words caress

People on the floor above me
Make some noise! Make some noise
Make some noise

In a Chapel, someone's waiting
Towards heaven reaching
Reaching
