

# Mama Rock

**Bang**

Never waste a minute  
Never changed your style  
Always full of life  
Always wore a smile

She could tell stories  
Like they happened yesterday  
Gave your love to all  
No one was turned away

People come and go  
You'll never leave  
When it's all said and done  
You go on

You could tell stories  
Like they happened yesterday  
Gave your love to all  
No one was turned away

You've seen so much  
Now your at peace  
Goodbye Momma Rock
