

Mother Of Christ

Barathrum

Mother of Christ, you are boring
You are fucked, and then forgotten
Bloody whore, open your wrists
Don't show me your face, go away
Leave me be, you sucking fucking bitch
Infernal amatörr, I am nuclear conductörr
Bitch go away, ugly Satan's whore
Infernal amatörr, I am nuclear conductörr

I'd like to drown you
Into lake Genesareth
Crucifying you
Like your son
Ripping your holy
Flesh, aaarrgh!
666 sadistic evil
Prayers are down, without help you are
Without mercy, die
Unholy blasphemy, is what I want
Unholy blasphemy, is what I give
Holy slut, mother whore
Ugly woman, used cunt
Prayers are down, without help you are
Without mercy, die
