**E C#**  
R: You can dance, you can jive,  
**F#mi H**  
having the time of your life  
**D D**  
See that girl, watch that scene,  
**A D A D**  
dig in the dancing queen

**A D**  
Friday night and the lights are low  
**A F#mi**  
Looking out for the place to go  
**E**  
Where they play the right music,  
getting in the swing  
**F#mi**  
You come in to look for a king  
**A D**  
Anybody could be that guy  
**A F#mi**  
Night is young and the music's high  
**E**  
With a bit of dance music, everything is fine  
**F#mi**  
You're in the mood for dance  
**Hmi E**  
And when you get the dance ...

**E A**  
R: You are the dancing queen,  
**D A D**  
young and sweet, only seventeen  
**A D A F#mi**  
Dancing queen, feel the beat from the tambourine, ouu yee

R: You can dance, you can jive,  
having the time of your life  
See that girl, watch that scene,  
dig in the dancing queen

You're a teaser, you turn'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance

Dancing queen, you gonna burn me up  
Dancing queen, baby please don't stop  
Dancing queen, you are makin' me strong  
With this song, all night long  
Dancing queen, you will give me the power  
I wanna be your king, I wanna be your lover  
Flow with me all thru the night  
By my side

And when you get the chance ...
