

I'll Make Him Love Me

Barbara Lewis

If it's the last thing that I do, I'll make him love me
If dreams are things that still come true, I'll make him love
Nothings impossible in this crazy world
Yesterday's miracle's just happened to me
Tomorrow's reality, oh wait and see

Although he may not want me now, I'll make him love me
I'm gonna get his heart somehow, I'll make him love me

[Repeat: x2]

Life's unpredictable, but one thing's for sure
Just as I know tomorrow follows today
I know that I'll find a way to make him love me
I'll make him love me

Oh I'm gonna make him love me, wait and see
Oh how he's gonna love me and fade
