

# Fooled By A Feeling

Barbara Mandrell

Fooled by a feeling, I was fooled  
I followed my heart right into your arms  
Like you wanted me to

Fooled by a feeling, lying with you  
I thought it was love but it was only a touch  
And when you left me, I knew

I was fooled by a feeling  
Now I'm feeling like a fool

You whispered, I love you  
All through the night  
You made love so easy to believe

Your touch was so gentle  
The feeling was right  
But I was wrong for believing you loved me

I was fooled by a feeling, I was fooled  
I followed my heart right into your arms  
Like you wanted me to

Fooled by a feeling, lying with you  
I thought it was love but it was only a touch  
And when you left me, I knew

I was fooled by a feeling  
Now I'm feeling like a fool

Fooled by a feeling, I was fooled  
I followed my heart right into your arms  
Like you wanted me to

Fooled by a feeling, lying with you  
I thought it was love but it was only a touch  
And when you left me, I knew

I was fooled by a feeling  
Now I'm feeling like a fool  
Fooled by a feeling  
Now I'm feeling like a fool

By a feeling, I was fooled  
I followed my heart right into your arms  
Like you wanted me to
