

In The Name Of Love

Barbara Mandrell

Guess who called me yesterday apologized for goin' away
And said, I'm still the one he's dreamin' of?
And did he ever sound so low when he said I need you so
He wants to come back home in the name of love

Guess who said that he was wrong and even cried on the telephon
e
Said he'd be as true as stars above?
Guess who said he would do right if I'd let him come home tonig
ht
He wants to come back home in the name of love?

Guess who's gonna let him come back to her life once more?
Guess you're right it's me and I'll be waitin' at the door?
No more sadness only smiles he'll be here in a little while
Tonight he's comin' home in the name of love

No more sadness only smiles he'll be here in a little while

Tonight he's comin' home in the name of love
Tonight he's comin' home in the name of love
Guess who called me yesterday apologized for goin' away
But tonight he's comin' home in the name of love
