Bad Standing

Enrol the superior hype
Submit to the tribe
Herd mentality style
Brothers unite

Support the outlaw war
Canon fodder, settle the score
Humiliation to the core
One for all

To me you're all in bad standing
One for all
To me you're all in bad standing
Limitless, down by law

Sacrifice, down by law
Do or die, down by law
Monkey say, down by law
Monkey do, down by law

Fucking fool, down by law
Paradise imitative life
Nothing mentioned, nothing denied
Nonentities driven by fright

Brothers with pride
Far out still standing tall
Real rebels, unreal cause
Call it honour, call it hardball

The insignia call
To me you're all in bad standing
Bow down sanity
Bow down humanity

There's no way back
