

# Fuck What You Say

Barcode

A hardcore youth gone wild  
New generation, misfit child  
Two in the pink, one in stink  
A whole lot worse then you motherfuckers think

We don't need your opinion!  
We don't need your ideas!  
FUCK WHAT YOU SAY!  
Generation away  
We're alive

A hardcore new breed born  
Accustomed to free live porn  
Come as a shock, not as a shocker  
Won't give a shit about any old fuker

FUCK WHAT YOU SAY!
