

# I Love the Holidays

Barney

I love the holidays, I do.  
I love to celebrate with you.  
With all our friends and family  
Together, we'll have fun.  
Laughing, telling stories, give a hug to someone.

I love the holidays, I do.  
I can help but smile from ear to ear.  
Oh, I love the holidays.  
Wish they could make every day.  
I love to spend my holidays  
With you this year.

I love the holidays, I do. (It's true!)  
I love to celebrate with you.  
Let's snuggle up together  
Sing songs we all know.  
And through the frosty windows  
We can watch the snow.

Oh, I love the holidays, I do. (Don't you?)  
Now the special ones we love are near.  
So let's have a holiday,  
In a very special way.  
I love to share my holidays  
With you this year.
