

# The Land of Make Believe

Barney

What if little birds could dance and sing  
And we could fly a magic wings  
Or maybe for a day I could be king  
What if, in the sky, the rows and rows  
Of clouds were fluffy marshmallows  
And we could reach them on our tippy toes

Anything can happen, anything can be  
Anything can happen in the land of make-believe  
Anything can happen here  
It's so much fun, so give a cheer  
Anything can happen in the land of make-believe

What if we sailed the ocean in the tub  
Rowing while we scrub-a-dub  
Watching bubbles fly into the sky  
What if we could jump up to the moon  
Fly 'round the world in a big balloon  
And every day could bring a new surprise

Anything can happen, anything can be  
Anything can happen in the land of make-believe  
Anything can happen here  
It's so much fun, so give a cheer  
Anything can happen in the land of make-believe  
Anything can happen, anything can be  
Anything can happen in the land of make-believe

Anything can happen here  
It's so much fun, so give a cheer  
Anything can happen in the land of make-believe  
Anything can happen in the land of make-believe
