

## World in Haze

### Barren Earth

Old man walks down the road  
Waves last goodbyes as he walks by  
One thing led to another disappointment  
That marked the path to his grave

Sorrow piles up on your shoulders  
Smile of a stranger can't reduce the weight  
Just keeps you falling down  
Falling down

Old man at the end of the road  
All his burden left behind  
One thing led to another disappointment  
That marked the path to his grave  
So all his shattered hopes  
Transparent and cold like the man old  
Flushed down the drain like dirt  
Will anyone remember?

Sorrow piles up on your shoulders  
Smile of a stranger can't reduce the weight  
Just keeps you falling down  
Falling down

When there's no one to catch you  
At the darkest dead of night  
You are fading away  
Fading away

You can't hide all your life in haze  
After dawn it's gone  
You're torn apart  
If the sun in your heart  
Burnt your soul and died  
You are fading away  
Faded away
