

# Black Amour

Barry Adamson

Come closer. "Do you like that?"  
Right here, beside me. "Beautiful!"  
I have this incredible need  
And the need is for you to experience  
Black amour. Black amour.

You want a piece of that action?  
Well then you call me,  
Satisfaction Jackson.  
If I ain't horny,  
It's because I'm in traction.

'Cause the deeper you go  
The funkier it gets.

Black amour. Black amour.  
I want you, I need you, I love you.  
Black amour.  
I need you, I love you, I want you.  
Black... hold my freaking hand.  
I want you, I love you, I need you.  
Black amour.  
I need you, I love you, I want you.  
Black amour.  
Love you, need you, want you.  
Black amour.
