

# And The Angels Sing

Barry Manilow

We meet and the angels sing  
The angels sing the sweetest song I ever heard  
We speak and the angels sing  
Or am I reading music into every word  
Suddenly the setting is strange  
I can see water and moonlight beaming  
Silver waves that break on some undiscovered shore  
Then suddenly I see it all change  
Long winter nights with the candles gleaming  
Through it all, your face that I adore

You smile and the angels sing  
And though it's just a gentle murmur at the start  
We kiss and the angels sing  
And leave there music ringing in my heart  
You smile and the angels sing  
And though it's just a gentle murmur at the start  
We kiss and the angels sing  
And leave there music ringing in my heart
