## **Dancing In The Dark**

**Barry Manilow** 

Dancind in the dark Till the tune ends where dancing in the dark And it soon ends we're waltzing in the wonder of why we're here Time hurries by were here and gone Looking for the light Of a new love to brighten up the night I have knew love and we can face the music together

Dancing in the dark What though love is old What though song is old Though them we can be young Hear this heart of mind Make your's part of mind Dear one tell me that we're one We're waltzing in the wonder of why we're here Time hurries by we're here and gone We're looking for the light Of a new love to brighten up the night I have knew love and we can face the music together
