

# Halfway Over the Hill

Barry Manilow

I been working all my life  
working hard for all my life  
trying to find the reason fore living  
tryin not to take to much with out giving  
never saw no rainbows in my sky

but don't you see I'm halfway over the hill  
I'm passing over the hardest part  
I'm halfway over the hill  
its got to get easier from now on

I've been running all my life  
lord , I've run for all my life  
seeing joy and seeing people grieveing  
seeing towns I don't remember leaving  
never saw no bluebirds in my sky

don't you see I'm halfway over the hill  
I'm passing over the hardest part  
I'm halfway over the hill  
It's got to get easier from on now

I'm halfway over the hill  
I'm passing over the hardest part  
I'm halfway over the hill  
It's got to get easier from on now
