

Home Again

Barry Manilow

Always and always now
Where there was just one
There'll be two
And you won't be alone again
I'm home again

Over and over now
We'll make up for nights that we missed
And kiss like we once kissed again
I'm home again

Close your eyes
I'll close mine
Remember how much we once had
And babe I'm so glad
To be home again

Love you- I love you now, now
There's no one but you in my life
And I won't let you go again
See I'm home again

Close your eye's
I'll close mine
Remember how much we once had
And babe, I'm so glad
To be home again

Love you- I love you
Oh more then anythink else in my life
And I won't let you go again
I'm home again
I'm home again
I'm home again
Yes I'm home
