

Let Freedom Ring

Barry Manilow

My country, 'tis of thee
Sweet land of liberty, of thee I sing;
Land where my fathers died, land of the pilgrims pride,
From every mountainside
Let Freedom Ring, let it's music resound throughout the nation.
Let it celebrate sweet liberty that is keeping us free and strong
Let Freedom Ring, and let everyone share its inspiration.
Let the promise not be satisfied until no one's denied its song
It's a dream to build upon.
We take the dream and pass it on (and on) and on (and on) and on
Let Freedom ring for the children of every generation]
May the love of freedom always ring and let everyone sing a long
It's a dream (it's a dream) to build upon.
We'll take the dream and pass it on (and on) and on (and on)
and let freedom sing, (Let freedom ring.)
Let freedom ring, for the children of every generation
May the love of freedom always ring; it has brought us this far
(it has brought
us this far)

It proclaims who we are (it proclaims who we are),
And together we sing, "Let freedom ring,"
(People everywhere, let freedom ring; people everywhere let freedom ring
People all over the world let freedom ring
People everywhere let freedom ring People everywhere,
let freedom ring; people everywhere let freedom ring,
People all over the world let freedom ring
People everywhere let freedom ring,
people everywhere let freedom ring
