

Look to the Rainbow

Barry Manilow

On the day I was born
Set me father said he
I've got an elegant legacy waiting for me
It's a rhyme for your lips
It's a song for your heart
To sing it whenever the world falls apart

Look, look , look to the rainbow
Follow it over the hills and stream
Look, look, look to the rainbow
Follow the fellow who follows our dream

It was a sumtuous gift
To beguife to a child
Or the lore of that song kept her feet running wild
For you never grow old
And you never stand still
With whipper will singing beyond the next hill

Look, look , look to the rainbow
Follow it over the hills and stream
Look, look, look to the rainbow
Follow the fellow who follows a dream

Strike one me heart and I roam the world free
To the east with a lark
To the west with the sea
And I searched all the Earth
And I scanned all the sky
But I found it at last
In my own true love's eyes

Look, look , look to the rainbow
Follow it over the hills and stream
Look, look, look to the rainbow
Follow the fellow who follows the dream

Follow the fellow
Follow the fellow
Follow the fellow
Who follows the dream
