

# Somewhere Down the Road

Barry Manilow

We had the right love  
At the wrong time  
Guess I always knew inside  
I wouldn't have you for a long time  
Those dreams of yours  
Are shining on distant shores  
And if they're calling you away  
I have no right to make you stay

[Chorus:]

But somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter when  
But somewhere down the road  
I know the heart of yours  
Will come to see  
That you belong to me

Sometimes goodbyes are not forever  
It doesn't matter if you're gone  
I still believe in us together  
I understand more than you think I can  
You have to go out on your own  
So you can find your way back home  
And somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter where

But somewhere down the road  
I know that heart of yours  
Will come to see  
That you belong with me  
Letting go is just another way to say  
I'll always love you so  
We had the right love at the wrong time  
Maybe we've only just begun  
Maybe the best is yet to come  
Cause somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter where

But somewhere down the road  
I know that heart of yours  
Will come to see  
That you belong with me
