

Sweet Heaven

Barry Manilow

Sweet heaven I'm in love again
Sweet heaven I'm in love again
You came along now what can I do
I only want to be with you
Sweet heaven here I go again
I'm hooked from head to toe again
One minute I'm so lonely and then
Oh sweet heaven

Hey babe
Now that I've found you life's a song
Say babe
Where were you hiding I've been waiting so long
Sweet heaven I'm in love again
So totally in love again
I'll shout it everywhere I go
I'll sing it on the radio
I want the whole world to know
Sweet heaven I'm in love again
