

The Best Seat In The House

Barry Manilow

Just like a leaf
That keeps blowing in the wind
And where it happens to fall
No one at all can plan
Just like I kicked around
Until you showed me
Where I belong
That's when my song began

How can I thank you for the love
You've given me
With all my heart I hope
You'll see what I see

I've got the best seat in the house
I've got the most beautiful view
You can't imagine how it feels
Just sitting here looking at you
I've got the best seat in the house

Night after night
I look at you
And try to be the best I can be
Knowing you'll see me through
I swear I'll never take your love for granted
I'd never trade the dreams that you made come true

It's sweet to know
We're growing closer
Every year
With all my heart I hope
You'll keep this place here

I've got the best seat in the house
I've got the most beautiful view
You can't imagine how it feels
Just sitting here looking at you
That's what I love to do

I've got the best seat in the house
I'll tell you I got the most beautiful view
You can't imagine how it feels
Just sitting here looking at you
I've got the best seat in the house
I've got the best seat in the house
