

This Can't Be Real

Barry Manilow

(Olivia Newton-John)
This can't be real
As long as I love you
How could this ever be real
As long as you're there?
Help me to feel
The nightmare's behind me
That your love will find me
Anywhere

(Barry Manilow)
Love is what's true
The rest is illusion
What I've discovered with you
No one can steal

(Barry Manilow & Olivia Newton-John)
The truth isn't what it seems
The truth is our wildest dreams
(Olivia Newton-John)
Real was your kiss
But as for this
This can't be real

(Barry Manilow)
This can't be real
So why do I love you
I know that this can't be real
Still you are there
You aren't real
But somehow you've found me
To haunt and surround me
You're everywhere

(Barry Manilow & Olivia Newton-John)
This isn't true
It's only illusion
What I've discovered with you
Is just an ideal

(Barry Manilow)
This must be a dream, I know
So why do I want you so?
Is it because
(Olivia Newton-John)
Only because
This can't be real?
(Barry Manilow)
This can't be real

(Barry Manilow & Olivia Newton-John)
Love is what's true
The rest is illusion
What I've discovered with you
(Olivia Newton-John)
No one can steal
(Barry Manilow)

No one can steal
(Barry Manilow & Olivia Newton-John)
The truth isn't what it seems
The truth is our wildest dreams

(Barry Manilow)
This must be a dream, I know
(Olivia Newton-John)
So why do I want you so?
Real was your kiss
(Barry Manilow)
Is it because
(Olivia Newton-John)
Oh, but as for this
(Barry Manilow)
Only because
(Barry Manilow & Olivia Newton-John)
This can't be real
This can't be real
This can't be real
