

## Up Front

Barry Manilow

Things were very quiet, back there  
You really oughta try it, back there  
But when you think you've had enough  
It's come the time to pack your stuff and go  
I know

I know I'm goin' upfront, out in front  
Leavin' everyone behind  
Got to see what I can find  
Upfront  
Upfront, out in front  
I was always meant to be  
There for all the world to see  
Upfront

Nothin' but beginners, back there  
They never heard of winners, back there  
They laughed at all my schemes  
They said forget your dreams and stay  
No way

The way to go is upfront, out in front  
Leavin' everyone behind  
Got to see what I can find  
Upfront  
Upfront, out in front  
I was always meant to be  
There for all the world to see  
Upfront

I'm goin' where the livin' is high  
And the lovin' is free and easy  
Every star in the sky  
Will be shinin' for me, for me

Shinin' for me, shinin' shinin'  
Gonna be shinin', shinin' shinin'

You see I'm goin' upfront, out in front  
Leavin' everyone behind  
Got to see what I can find  
Upfront  
Upfront, out in front  
I was always meant to be  
There for all the world to see  
Upfront
