What The World Needs Now Is Love

Barry Manilow

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No not just for some but for everyone

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross
Enough to last till the end of time

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

Lord, we don't need another meadow

There are cornfields and wheat fields enough to grow

There are sunbeams and moonbeams enough to shine

Oh listen, lord, if you want to know

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No, not just for some
Oooh, but just for every, every, everyone

(What the world needs now)
Whoooo
(Is love sweet love)
Is Love
(What the world needs now)
Whoooo
(Is love sweet love)
Is love....
