

# When I Need You

Barry Manilow

When I need you  
I just close my eyes  
And I'm with you  
And all that I so want to give you  
It's only a heart beat away

When I need love  
I hold out my hands  
And I touch love  
I never knew there was so much love  
Keeping me warm night and day

Miles and miles of empty space  
In between us  
A telephone can't take the place of your smile  
But you know I won't be traveling forever  
It's cold out, but hold out  
And do like I do

When I need you  
I just close my eyes  
And I'm with you  
And all that I so want to give you  
It's only a heart beat away  
It's not easy when  
The road is your driver  
Honey that's a heavy load that we bare  
But you know I won't be  
Traveling a life time  
It's cold out but hold out  
And do like I do  
Oh I need you

When I need love  
I hold out my hands  
And I touch love  
I never knew there was so much love  
Keeping me warm night and day

When I need you  
I just close my eyes  
And you're right here by my side  
Keeping me warm night and day  
I just hold out my hands  
I just hold out my hands  
And I'm with you  
And all that I want to give you  
It's only a heart beat away
