

## Where or When

Barry Manilow

It seems we stood here  
And take like this before  
We look at each other  
In the same old way  
But I can't remember  
Where or when

The clothes you're wearing  
Are the clothes you wore  
The smile you're smiling  
You where smiling then  
I can't remember where or when

Something's that happened for the first time  
Seem to be happening again  
And so it seems that we have met before  
And laugh before and loved before  
But who knows where or when

Something's that happened for the first time  
Seem to be happening again  
And so it seems that we have met before  
And laugh before and loved before  
But who knows where or when
