

# Didn't We Make It Happen Baby

Barry White

People in love are very special people to us  
And we wanna let you know, that we're just like you  
And sometimes, when two people fall in love  
It isn't always easy, things don't always go just right  
I mean, certain people will try and keep you  
From being happy together  
Yeah baby, they do more than try  
Sometimes they, they really get in the way, but...  
But I think, when two people really love each other  
And really hold to life together  
I think that, that they can endure  
And they can overcome anything in the world  
It's like a friend of ours once said:  
"Life is for the living, and love is for the giving"

Didn't we make it happen, baby  
Didn't we make it happen, baby, didn't we, didn't we  
Didn't we make it happen, baby  
Didn't we make it happen, baby, didn't we

Our love together is so much better  
Than they ever said it would  
Mhm, we've stayed together through stormy weather  
They didn't think we could, no  
You fill my heart with love, oh boy  
There's so much happiness and joy

Didn't we make it happen, baby, didn't we  
Didn't we make it happen, baby, didn't we, didn't we  
Didn't we make it happen, baby, didn't we  
Didn't we make it happen, baby, didn't we

It's really nice to have someone  
Who's loving you this way, hey...  
If people knew us, really knew us, they'd know  
Just how much we believe the things we say  
Girl, you're the reason I'm complete  
You turned my bitter into sweet

Didn't we make it happen, baby  
(Make it happen, baby)  
Didn't we make it happen, baby  
(Make it happen, baby)  
Didn't we make it happen, baby  
Didn't we make it happen, baby)

We've got the answer to our life  
When things go wrong, we make them right

Didn't we make it happen  
(Didn't we make it happen, baby)  
Didn't we make it happen  
(Didn't we make it happen, baby)  
Didn't we make it happen  
(Didn't we make it happen, baby)  
Didn't we make it happen  
(Didn't we make it happen)

Just the two of us, together forever, ooh  
(Didn't we, didn't we, didn't we)  
Just the two of us, together forever, ooh  
(Didn't we, didn't we, didn't we)  
Just the two of us, together forever, ooh  
(Didn't we, didn't we, didn't we)  
Just the two of us, together forever and ever and ever and ever  
(Didn't we, didn't we, didn't we, didn't we)

Oh, oh! Yeah (Didn't we, didn't we, didn't we)  
Oh! (Didn't we make it happen)  
Didn't we make it happen, baby  
(Didn't we make it happen)  
Didn't we make it happen, baby  
(Didn't we make it happen)  
Didn't we make it happen, baby...
