

# I Love to Sing the Songs I Sing

Barry White

I've been around the world  
Only to find  
Love's universal language

And I knew it all the time

I love to sing the songs  
The songs I sing  
I sing the songs  
I love to sing  
I love to sing the songs  
The songs I sing  
And I sing the songs  
I love to sing

This song is for  
Is for everyone  
I just wanna thanks  
For all your time

I love to sing  
The songs I sing  
And I sing the songs  
I love to sing

I love to sing the songs I sing  
And I sing the songs  
I love to sing  
The songs I sing  
I love to sing the songs I sing  
And I sing the songs  
I love to sing
