

# I'm So Blue and You Are Too

Barry White

Has it come to this?  
After all the love we've shared together  
And all the love we've known together  
Tell me, has it come to this?  
Baby we're sitting here together and yet, and yet it's not the same  
Because here in my heart I'm very sad  
I feel so bad

Now I'm so blue  
And you are too  
Oh, what a shame  
What can we do?  
I'm blue  
And you are too  
Oh, what a shame  
What can we do?

Oh, what sense does, does it make  
For us to break, our hearts in two  
Love is still the answer, for me  
My darling, and you

I'm so blue  
And you are too  
Oh, what a shame  
What can we do?  
I'm blue  
And you are too  
Oh, what a shame  
What can we do?

Nothing good come easy  
And that means our love too

If it's worth having, it's worth keeping  
After all, look at what we been through

This is not the way, this is not the way for us baby  
We know how to make it right  
And we know how to make it strong  
And now we gotta get it back, where it belongs

I'm blue  
You are too  
Love, oh, what a shame  
Girl what can we do?  
I'm blue  
And you are too  
What a shame  
What can we do?

Love is still the answer for me my darling  
You, are blue  
Girl you are too  
Oh, what a shame  
What can we do?  
Love, I'm blue

And you are too  
Oh, what a shame  
What can we do?

My, I'm blue  
You are too  
Oh, what a shame  
What can we, what can we do about it?  
My, my, my, my, my, my  
My, my, my, my, my, my
