

# It's Getting Harder All the Time

Barry White

Can I share this with you?  
Baby, you know imagination is really funny  
Sometimes it's very hard to do, it's... impossible  
Many nights and days, I... I've tried to imagine, what it would  
be like to love you  
I've even tried to imagine, what you would look like, being lov  
ed  
And I, I... I can't do it  
I'm trying to do what a gentleman would do  
Trying to be patient and tolerant, all the things that a man is  
supposed to be  
But... I just wanted you to know very honestly, that I'm very a  
nxious to be with you

It's getting harder all the time  
Just to keep myself from wanting you  
Harder every day, for me to stay away  
Knowing, girl without your loving  
I ain't worth one dime  
It's getting harder, harder all the time  
All the time  
It's getting hard every night  
Just to keep my hands from touching you  
Oh darling, what am I to do And I hear you sigh  
I might as well kiss my poor heart goodbye  
And start to cry  
It's getting harder, harder all the time  
All the time  
There's no fighting what I feel  
Oh, God knows, I've tried  
Tried to hold back my love from you  
It's like trying to hold back the tide  
It's getting harder, harder, harder all the time  
I can't stop needing you  
Oh, harder every day, for me to find a way  
To keep myself from the tenderness  
Of your lips touching mine  
It's getting harder, harder all the time  
All the time

I ain't worth a dime  
It's getting harder, harder all the time  
Harder, harder all the time  
I need your lips close to mine...
