

Rio De Janeiro

Barry White

Have you been there? (4x)
What're you talkin' about, man?
I'm talkin' about Rio, Rio, Rio, Rio.

I've been to Rio de Janeiro.
I love the fun in the sun and the people.
In Rio de Janeiro, it's so exciting to see,
no matter where you go.

Any time, day or night, everything is so alive.
Music there is really hot.
You should see 'em do the Rio rock.
Nothing like it nowhere else.
It's a feeling that I've never felt.
Never stops, never ends.
It blows your mind just being there.

In Rio de Janeiro,
I love the fun in the sun with the people.
In Rio de Janeiro, it's so exciting to see,
no matter where you go.

I went to Sugar Hill the other night.
From the top you see the city lights.
Took the cable car to the other side.
The moon above was big and bright.
Then I saw this huge crowd.
People dancing and singing loud.
People smiled as I walked around.
I felt so good, so I got down.
In Rio, Rio de Janeiro.
