

# Tell Me Who do You Love

Barry White

Can I ask you something:  
If I didn't mean as much as it means to me  
And if it didn't feel what I feel inside, baby I..

I Don't really want ask you this, but...  
It's something that  
I want to know so bad  
tell me...  
Who do you love?..

Who do you love  
Tell me....  
Tell me...  
Who do you love...
