

# We Can't Let Go of Love

Barry White

When we make sweet lovin', baby  
You whisper things, that blows my mind  
It really makes me feel that we are  
In another place and time  
No other love I've found  
Could make my head go 'round and 'round  
Hey baby, hey baby...

When you're huggin', squeezin', teasin'  
Chills rushes up and down my spine  
It's so wonderful to share  
The magic both yours and mine  
No other love I've known  
Has been this good and felt so strong  
Hey baby, hey baby...

No, we can't let go  
We can't let go of love  
Look all around us  
Love has truly found us  
Ooh no, we can't let go  
We can't let go of love  
Believe me when I say  
I love you more and more each day  
Yeah...

No other love I've found  
Could make my head go 'round and 'round  
No baby, hey baby...

No, we can't let go  
We can't let go of love  
Look all around us  
I'm so glad love has found us  
Ooh no, we can't let go  
We can't let go of love  
Believe me when I say  
I love you more and more each day  
No, we can't let go  
We can't let go of love  
Look all around us  
Love has truly found us  
Oh no, we can't let go  
We can't let go of love  
Believe me when I say  
I love you more and more each day

No, we can't let go  
We can't let go of love  
Just look around us  
Look at what love has brought us  
Oh no, we can't let go  
We can't let go of love  
Believe me when I say  
I love you more and more each day  
Oh no, no, no, no, no, no, no, no, no, no  
No, no, no, no, no

Oh no, no, no, no, no, no, no, no, no, no  
No no, no, no, no, no, no, no  
No, no, no, no, no, no  
Oh no, we can't let go  
We can't let go of love  
No, we can't let go  
We can't let go of love  
Oh no, we can't let go  
We can't let go of love...
