

You Make My Life Easy Livin'

Barry White

Ah, yeah...

Ah, yeah...

You, you make my life

Easy livin'... ah

You, you make my life

Easy livin'... ah

Got my arms around you, babe

Squeezin' you tight

Showing you that I love you, babe

All through the night

Just touchin' you livens up, oh yeah

The spirit in me

Makin' me so thankful, babe

My tears run clear and free

Oh, I said...

You, you make my life

Easy livin'... oh, yeah

I say you, you make my life

Easy livin'... oh, yeah

Since we've been together, babe

Nothin' has changed

It's such a happy feelin', babe

There's nothin' to rearrange

Thank you boy for givin' me joy

Thank you boy for just lovin' me

Oh, I say...

You, you make my life

Easy livin'... oh, yeah

You, you make my life

Easy livin'... oh

I'm gonna lay here in your arms all day long

'Cause you, you make my life

Easy livin'... oh, yeah

Oh, yeah
