

# Your Love, Your Love

Barry White

Your love, your love - that's what I'm after  
Your love, your love - all the joy and laughter  
Your love, your love - girl, I'm coming faster  
Your love, your love

Yeah, your love, your love  
Girl, I'm coming after  
Your love, your love  
That's really all that matters  
Your love, it's your love  
Girl, you mean that much to me

The way you say your words  
You're not loud but you're heard  
And can't you see, what you do to me

Yeah, your love, your love  
Girl, I'm coming after  
Your love, your love  
That's really all that matters  
Your love, it's your love  
Girl, I'm coming faster  
Your love, for your love, I just want  
Your love, your love  
And it means that much to me... oo-wee

I can feel the joy  
Like a baby with his toy  
Take this chance with me  
And I know you will agree  
If you will just let me have

Your love, your love - girl, I'm coming after  
Your love, your love - that's really all that matters  
Your love, it's your love - I swear I'm coming faster  
Your love, for your love, I just want  
Your love, your love  
'Cause you mean that much to me... oo-wee

I just want your love, your love  
Girl, I'm coming after  
Your love, your love  
That's really all that matters  
Your love, it's your love  
And I swear I'm coming faster  
Your love, for your love  
I just want your love, your love  
Girl, I'm coming after  
Your love, your love  
That's really all that matters  
Your love, it's your love  
And I swear I'm coming faster  
Your love, for your love, I... yeah

Your love, your love  
Girl, I'm coming after  
Your love, your love

That's really all that matters  
Your love, your love  
I'm coming faster  
Your love, your love  
That's really all that matters  
Your love, your love

Your love, your love  
Your love, your love  
Your love, your love  
Your love, your love

It's what I'm after  
Your love, your love  
Girl, I'm coming after  
Your love, your love  
All that joy and laughter  
Your love, your love  
I'm coming faster  
Your love, your love  
That's all that matters  
Your love, your love  
Watch me go after  
Your love, your love  
Ooh, baby...  
Your love, your love  
It's your love, baby  
Your love, your love  
Girl, I'm coming after  
Your love, your love  
That's all that matters  
Your love, your love  
It's your love, all that joy and laughter  
Your love, your love
