

# Bloodshots

## Bars and Melody

La la, la la la la, la la la la, la la la la la la  
La la, la la la la, la la la la, la la la la la la

I've always felt so cold, not so hot now  
Coming up, I might've sold my soul for a lot how  
Keep a hold of your heart, yeah don't give it all, my baby  
Stole it right out of my chest, said she'll be gone tomorrow  
I've got a couple friends who ain't good for me  
If you think I get to sleep then baby, take a look at me  
I wanna fall in love but they keep fooling me  
Blurry eyes in the mirror I can't fucking see

Red eyes in the photographs  
Always leaving last  
Cause I'm flatlined taking bloodshots  
All night, down my windpipe  
Wronging all my rights  
To see if I'm alive  
I've always felt so cold, not so hot now  
Coming up, I might've sold my soul  
For some gold and a lotta bloodshots  
Last night, down my windpipe  
Wronging all my rights  
It's the only time I feel a...

La la, la la la la, la la la la, la la la la la la

Think it might be too late  
To rehabilitate  
They say I'm a renegade  
Sippin' my nights away  
My mama mad at me  
Baby, stay bad for me  
I'm all about anarchy  
(Call me your majesty)

Red eyes in the photographs  
Always leaving last  
Cause I'm flatlined taking bloodshots  
All night, down my windpipe  
Wronging all my rights  
To see if I'm alive  
I've always felt so cold, not so hot now  
Coming up, I might've sold my soul  
For some gold and a lotta bloodshots  
Last night, down my windpipe  
Wronging all my rights  
It's the only time I feel a...

La la, la la la la, la la la la, la la la la la la  
La la, la la la la, la la la la, la la la la la la

Got somethin' in my eye, it's insanity  
Seen a lotta things that you haven't seen  
Can you see that I'm surrounded, demons grabbing me  
Pulling me to Hell, it must be gravity  
Your jaw just hit the floor, you need a facelift

I can take you outta here inside my spaceship  
Bitch, I ain't saying cheese you couldn't grate this  
Frowning at the camera 'cause I hate this  
Shit!
