

FaceTime Love

Bars and Melody

So come and show me la la la la la love
We ain't waking up nah nah nah nah nah
And I know we wasting time while I wait for you
When I call you don't decline need that FaceTime love

I know we ain't used to this (uh huh)
Black and blue how we so bruised from this (uh huh)
Gotta give up all that stupid shit yeah yeah (uh huh)
Win on one now how we losing it?

She coming Greece for the summer
Covid's a bummer, get your lil butt in my Hummer
Whip it like dumb and dumber
I don't got a license but trust me I'm covered
Whip it thru skyros, I'm calling her runner
Bumpin' the migos, she think she my lover
Put on my kettle, she made me a cuppa
Spread her like butter when we under the cover (under the covers)

And we can get away from this trouble
Mixing up the liquor seeing double
I just want a kiss and a cuddle
You're the only one who knows me

Come and show me la la la la la love
We ain't waking up nah nah nah nah nah
And I know we wasting time while I wait for you
When I call you don't decline need that FaceTime love

Come and show me la la la la la
La la la la la
La la la la la love
I need that FaceTime love
Come and show me la la la la la
La la la la la
La la la la la love
I need that FaceTime love

She couldn't be hotter, flaming hot cheetos, that girl is robber
It's a splash zone, she wet like an otter
Z in my pocket I'm ducking the coppers
She got no one else so I told her I got her
Been in our bag yeah we loading, couple hours we zoning
She know my true colors, she knows I'm a gremlin
She get in the backseat, want some of my lipsing

Runaway with my love I'm lost out in the ocean
Gotta play with trust and question my devotion
Why we always saying the same thing
Baby I been losing patience

Come and show me la la la la la love
Fuck having to wake up nah nah nah nah nah
Wish we wasted some more time yeah it's fun to fuck
Used to cuddle every night now it's FaceTime love

Come and show me la la la la la

La la la la la
La la la la la love
I need that FaceTime love
Come and show me la la la la la
La la la la la
La la la la la love
I need that FaceTime love

Come and show me la la la la la love
We ain't waking up nah nah nah nah nah
And I know we wasting time while I wait for you
When I call you don't decline need that FaceTime love

Come and show me la la la la la
La la la la la
La la la la la love
I need that FaceTime love
Come and show me la la la la la
La la la la la
La la la la la love
I need that FaceTime love
