

# One Kiss

## Bars and Melody

Let me take the night, I love real easy  
And I know that you'll still wanna see me  
On the Sunday morning, music real loud  
Let me love you while the moon is still out

Something in you  
Lit up heaven in me  
This feeling won't let me sleep  
'Cause I'm lost in the way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

Nights long when I'm without you  
Days boring, I'm about you  
Heart beating like a race car  
Girl, I'm so glad I found you  
Mind messed and I'm daydreaming  
I just wish that you weren't leaving  
Heart breaking and it ain't fun  
You're the only one that is worth keeping

Something in you  
Lit up heaven in me  
This feeling won't let me sleep  
'Cause I'm lost in the way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need

See a wonderland in your eyes  
Might need your company tonight

Something in you  
Lit up heaven in me  
This feeling won't let me sleep  
'Cause I'm lost in the way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities  
I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities

I look like all you need
