

Right For You

Bars and Melody

I tried it once, I tried it twice
But I couldn't bring myself to do it to you
I may be wrong, I may be right
Now I know I'm devoting myself to you
My own stupidity has got me messed up in my own dignity
You made me realise how much I care for you

Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Is this love we have true?

Hold me close, and bear the tide that awaits
In that moment that it hits all we ever do is wait
A glimmer of hope, my only reason to live on
'Cause I'm praying for the best, but I don't control the storm
From this world one day when I'm looking back at my mistakes
Thinking of leaving you is the biggest that I made
And when the timeline shows an endless cycle of life
All I thought about is you the reason for my life
The bitter of this earth carves meaning into me
The only one that can take every breath inside of me
Every moment in happiness is a memory in death
I will love you for eternity plus whatever is left

Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Is this love we have true?

I tried it once, I tried it twice
But I couldn't bring myself to do it to you
I may be wrong, I may be right
Now I know I'm devoting myself to you

I tried it once, I tried it twice
But I couldn't bring myself to do it to you
I may be wrong, I may be right
Now I know I'm devoting myself to you

Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Now darling please tell me, am I right for you?
'Cause if I am I wanna know, is this love we have true?
Is this love we have true?
