

# Shape Of You

## Bars and Melody

The club isn't the best place to find a lover  
So the bar is where I go  
Me and my friends at the table doing shots  
Drinking fast and then we talk slow  
You come over and start up a conversation with just me  
And trust me I'll give it a chance now  
Take my hand, stop  
Put Van The Man on the jukebox  
And then we start to dance  
And now I'm singing like

Girl, you know I want your love  
Your love was handmade for somebody like me  
Come on now, follow my lead  
I may be crazy, don't mind me  
Say, boy, let's not talk too much  
Grab on my waist and put that body on me  
Come on now, follow my lead  
Come on now, follow my lead

I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
And last night you were in my room  
And now my bedsheets smell like you  
Every day discovering something brand new  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Every day discovering something brand new  
I'm in love with the shape of you

One week in we let the story begin  
We're going out on our first date  
You and me are thrifty  
So go all you can eat  
Fill up your bag and I fill up a plate  
We talk for hours and hours about the sweet and the sour  
And how your family is doing okay  
Leave and get in a taxi, then we kiss in the backseat  
Tell the driver make the radio play  
And I'm singing like

Girl, you know I want your love  
Your love was handmade for somebody like me  
Come on now, follow my lead  
I may be crazy, don't mind me  
Say, boy, let's not talk too much  
Grab on my waist and put that body on me  
Come on now, follow my lead  
Come on now, follow my lead

I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
And last night you were in my room  
And now my bedsheets smell like you  
Every day discovering something brand new  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Every day discovering something brand new  
I'm in love with the shape of you

The exposure of the grey day dispersing into night  
The agro's cold and the moon grants sight  
I need somebody there and it's time to get real  
Tired of arguing with my mind about how it is I feel  
Maybe there's another way on this earth that we can escape  
I guess I have to open up 'cause there's no other way  
I'm in love with the callousness but it's also making me scared  
Is it just a forbidden taste, if not would you still be here

I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
And last night you were in my room  
And now my bedsheets smell like you  
Every day discovering something brand new  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Oh I oh I oh I oh I  
I'm in love with your body  
Every day discovering something brand new  
I'm in love with the shape of you
