

Unforgettable

Bars and Melody

It's not good enough for me since I been with you
It's not gonna work for you, nobody can equal me, I know
I'm gonna sip on this drink when I'm messed up
I should know how to pick up
I'm gonna catch the rhythm while she push up against me
Ooh, and she tipsy
I had enough convo for 24
I peep'd you from across the room
Pretty little body, dancing like GoGo, hey
And you are unforgettable
I need to get you alone
Why not?
A good good time, never hurt nobody
I got a little drink but it's not Bacardi
If you loved the girl then I'm so, so sorry
I got to give it to her like we in a marriage

Ooh, like we in a hurry
No, no I won't tell nobody
You're on your level (yo) too
Tryna do what lovers do

My eyes closed hanging over the faucet
The road has been long but baby we bossed it
The shattered mirror is a reflection of emotion
We're sinking like a ship in the middle of the ocean
If there ever was a line just know baby we crossed it
And if there ever was a path just know baby we lost it
I was never good enough for you, you weren't the most trustworthy either
Only two that know each other, look at you I see a mirror

And you are unforgettable
I need to get you alone
Look at you,
Asking me a question but I don't have a clue

It's not good enough for me since I been with you
I'm gonna sip on this drink, when I'm messed up
I should know how to pick up
I'm gonna catch the rhythm while she push up against me
Ooh, and she tipsy
I had enough convo for 24
I peep'd you from across the room
Pretty little body, dancing like GoGo, hey
And you are unforgettable
I need to get you alone
Why not?
A good good time, never hurt nobody
I got a little drink but it's not Bacardi
If you loved your girl then I'm so, so sorry
I got to give it to her like we in a marriage

Ooh, like we in a hurry
No, no I won't tell nobody
You're on your level too
Tryna do what lovers do

I wish that I could stay and it pains me to be leaving
Now we're so close to comfort, it was uncomfortably deceiving
I leave flowers on your driveway every time I pass your house
You are all I think about
That look inside your eyes when you wake up in the morning
Don't even say a word, I can hear your body calling
The things I'm gonna miss, these things when you're around
And your positivity when I was feeling down
The sparkle in your eyes, I've never seen such passion
When you're drawing in the evening your eyes are so attractive
Stare at you all night, I could stare at you all day
If you could overdose on staring I would be up off my face
You take me to a place that I've never been before
I memorise the steps and I can't forget it all
The nights are getting longer, the days are getting cold
I've wanted you forever but nothing is for sure

And you are unforgettable
I need to get you alone
Look at you,
Asking me a question but I don't have a clue

Ooh, like we in a hurry
No, no I won't tell nobody
You're on your level too
Tryna do what lovers do
