

# Bitch I'm Madonna Parody

Bart Baker

Boooh!  
Madonna should quit  
Boooh!  
This song's pure shit.  
It's child abuse for me to hear it.

The name of this song is so pitiful and classless  
I thought it would make me seem hip to say the word bitch  
Why are you acting like a teen when you're fifty six?  
Get off of me your breath smells like cigarettes and fish!

I like to kiss boys and party  
You act like a teen wannabe!  
You are not young!  
This is getting embarrassing!

I act stupid I act young  
This grill makes me look so dumb.  
I should grow up and move on  
But I don't wanna  
I asked all my famous buds to be in this like 'Bad Blood'  
nobody showed up bud duds like Rita Ora

I'm Rita Ora

(No your supposed to say my name!)

Nah I ain't gonna

I want to stay hip so I did this song with Diplo  
I spent ten minutes on it that's why it's so wack yo  
The chorus breakdown I created with my butt hole  
Ate a burrito and then I grabbed a microphone

This is the video's best scene  
Cos Madonna's not on the screen  
Just sock puppets

On no she's coming back again!

I'm back.

I wouldn't have shown up to be in this if you paid me  
Ne-Neither would anyone else not Beyonce, Kanye or Katy  
They-they all filmed their cameos far away in different cities  
I was trying to copy 'Bad Blood'  
But you failed so damn bad it's silly  
No one wants to appear in this vid with you  
It's a flop on YouTube, despite lots of hype not many views.  
It's cos the music sounds just like a mosquito farting on mic plus the idiot  
ic lyrics, I really can't stand to hear it!

Everyone listen to me things here are not what they seem  
She's not who she claims to be  
You are a liar!  
I am trapped in her body that's why she is acting fourteen  
I am her and she is me

I am Madonna!

(What the hell is that horrible sound?)

Oh, sorry. I thought recording myself power drilling a wall would make this beat even more tackier.

OMG! I love it.

No, get lost, Diplo.

My bad.

As I was saying, she pulled a freaky Friday on me, we switched brains and now all my credibility is ruined.

All because of this childish song and video. You are in big trouble young lady.

No!

Don't you run from me, hey! Come back here, young lady!

But that tooth gap, yo!
