

# Drake

Bart Baker

Wake up in the morning and I'm feeling like I'm Drizzy  
Views from my momma basement looking hella pretty  
Gotta Honda drive it like a Wraith around my city  
Speeding down the highway crying listening to Miss Meeeee

The way his hair is parted got me wanna copy  
I would do anything to be the champagne Papi  
I grew my beard out, lifted weights to get me stocky  
I just can't understand why ladies love him, not me

I done transformed fully  
Got 90 OVO hoodies  
Everytime I call my ex phone  
She hit ignore cause she's a big bully

Local club I'm with 6 strippers  
Maaan all of them are so pushy  
They just wanna give nookie  
I just wanna warm cookie

Ayyy lets just say that 9 minus 3 makes 6  
Let's just say that 3 times 2 makes 6  
Let's just say that 7 minus 1 makes 6  
Ridin round the 6

Damn I wish I was like Drake  
Like drake like drake  
Autotunin eyebrow groomin dancin stupid like drake  
Damn I wish I was like Drake  
Like drake like drake like drake like drake  
Damn I wish I was like Drake  
Damn I wish I was drake  
Damn I wish I was drake shit  
Damn I wish I was drake  
Damn I wish I was like drake  
Damn I wish I was drake  
Damn I wish I was drake shit  
Damn I wish I was drake  
Damn I wish I was like drake

This the part I use my soft tone  
She like it when I talk really light  
She like it when I give her real advice  
Said she wanna make it real tonight

Man I'm so nervous  
She told me to make her feel alive  
I said ok, go take them heels off  
And go get ready for this pillow fight

I need some-one to listen to me  
Listen to Take Care on repeat and try out different smoothies  
I wanna be Drake  
I treat my life like it is his movie  
His posters cover all my walls I don't think it's fruity

I gotta plan

Worship Drizzy I won't ever quit cause he's the man  
You cannot be cool if you don't call yourself a fan  
Summer 16 Drizzy put meek mill into a pan  
My names Dustin I don't know why people call me Stan

lets just say square root of 36 makes 6  
666 minus 666 plus 6 makes 6  
And did you know that Taylor's numbers 666  
Ridin round the 6
