

# Brother's Keeper

Basement

Sit and wait and count my hate  
I'll be adding up for days

Feelings come and go, I will let you know [x2]  
1 and 1 is never fun  
Pull the thread and I come undone

See the numbers as they fade away  
And the letters that you wrote I saved  
I won't read them for I'm not that brave  
But I keep them so that I can say  
That I cared  
I cared

Feelings come and go, I will let you know [x2]  
1 and 1 is never fun  
Pull the thread

I am brother Cain  
Keep no one close or safe  
I deny, I deny  
I'll reply, I'll reply on your grave  
I owe you everything
