

# Vision of My Mind

## Basic Element

I didn't know  
What was happening around me anymore  
Something touched me inside  
And now I know  
It was the vision (motion?) of my mind

Vision of my mind  
I hope I'll find the man like you sometime  
I know we could be fine  
If I only knew the way to make you mine

You're my vision of love, vision of love  
You're my vision of love, vision of love

You are a vision of my mind  
I hope I'll find the man like you sometime  
I know we could be fine  
If I only knew the way to make you mine

.....  
And I am so glad I've found you
