

I Came Here to Party

Basshunter

Welcome to Cavalli Night Club
Follow me, sir, and I'll take you to your table

I'm feeling
Like a virgin
I'm going to party like it's my first time

Bartender
Keep 'em coming
Tonight I'm gonna lose my mind

I'm feeling
Like a virgin
I'm going to party like it's my first time

Bartender (Yeah!)
Keep 'em coming (Keep 'em coming!)
Tonight I'm gonna lose my mind

I'm gonna be what I wanna be, wanna be!
I'm gonna do what I wanna do, wanna do!
Don't give a fuck about it!
Let's get this party started!
Let's get this party started!
(Hold your hands up high)
